

Labeling obligation §73 PostModG

Information on the labeling requirement for packages from January 01, 2025

- Packages **heavier than 10kg** (from 10.0kg) but lighter than 20kg (up to 19.9kg) must be **clearly and visibly labeled**.
- Packages **heavier than 20kg** (from 20.0kg) must be clearly and visibly labeled. The label must be **clearly distinguishable from the 1st labeling**
- The nox Group implements this requirement as shown on the two sample labels.
- Größe auf dem Label:

Size at the label:

- ▶ „> 10 kg“: 12,569 x 14,925 mm (B x H) / 36 x 44 Pixel (H x V)
- ▶ „> 20 kg“: 16,509 x 19,508 mm (B x H) / 48 x 57 Pixel (H x V)

The symbol for “> 20 kg” must be displayed inverted (black with white lettering).

Layout-Example

Image resources like the nox logo and weight symbol are provided by nox
